

Schmincke MUSSINI®

A superb oil paint ideal for artists wishing to re-create the traditions of the old masters. These colours have a very loyal following.

- The artists' natural resin-oil-colours which are unique throughout the world
- Based on old masters' formulations
- Balanced drying process for tension-free and durable colour-layers

Mussini finest artists resin oil colours use a particularly sophisticated manufacturing process to meet the very highest requirements. These professional artists' colours stem in particular from the adoption of the old masters' practice of combining selected artists' oil with natural resin.
