

# Jackson's Artist OIL COLOUR

Professional quality at a sensible price!

Already our most popular oil paint, we are very happy to introduce 21 new colours, including genuine Cadmiums. Now also available in 60ml tubes.

Made in London to the very highest standards, our range of artists oil colour offers unbeatable value for money without compromising quality. A combination of the finest modern pigments and refined linseed oils mean that these paints are permanent and lightfast. These paints offer vibrant colour with a buttery consistency. They mix well with other oil colours and surpass many leading brands in their performance and affordability.

Each 225ml tube comes in its own box.
