

AV STUDIO ACRYLIC

Vallejo

A popular range with schools and colleges. All standard colours available up to 2ltr!
 A range of permanent artist quality acrylic, manufactured without toxic pigments and heavy metal derivatives. These acrylics contain no filler of any kind, and only the purest resins and pigments have been used, so that the colours are of unequalled purity and chromatic quality. The colours are compatible with all acrylic paints and offer an unsurpassed combination of quality and affordability.
