

Lino Printing

Cutting away the surface of a lino sheet or block using small sharp cutters forms the basis of a lino print. The surface of the block is inked up and this forms a positive image when printed. Waterbased lino inks are easy to use and can be washed with soap and water.

Waterbased Lino Inks

Ready to use ink in tubes 20ml Code: **RK2 - (colour) £3.35**
200ml Code: **RK200 - (colour) £8.55** (+200ml)
